2024 IMPACT REPORT

DREAM CITY CHURCH

FROM PASTOR LUKE BARNETT

Dear Dream City Church Family,

As we close the chapter on 2024, our hearts are overwhelmed with gratitude for all that God has done through Dream City Church this year. Together, we have witnessed His faithfulness, provision, and power in countless ways, and we stand amazed at the lives that have been touched and transformed. From the incredible outreach efforts to the growth across our campuses, it's clear that God is on the move. We've seen families restored, communities impacted, and countless people discover their purpose in Christ.

Through your faithful generosity we've been able to extend His love far beyond our ministries, supporting missions, and meeting tangible needs. One highlight of this year was the Celebration of Christmas, where thousands gathered to experience the joy and hope of the season. It was a powerful reminder of why we do what we do—to share the love of Jesus and make His name known. Beyond these moments, we celebrated milestones in our youth and children's ministries, strengthened our outreach efforts to local communities, and created more opportunities for discipleship and spiritual growth.

Looking ahead, we believe that 2025 holds even greater opportunities for God to move in extraordinary ways. With a vision of harvest and new initiatives to deepen our impact, we're stepping into this year with hearts full of expectation. We are committed to pursuing God's call to bring transformation to individuals, families, and communities, trusting that He will guide our steps as we continue to dream boldly.

Thank you for being a vital part of this journey. Your prayers, service, and generosity are sowing seeds for a future harvest. As we prepare for the year ahead, let's continue to dream big, pray boldly, and trust God to do immeasurably more than we could ask or imagine.

In His Name,

Luke Barnett

On Sunday, November 10th, Pastor Luke delivered a powerful message titled Beans and Rice. He challenged our church to step out in faith by eating only beans and rice for one day, fostering empathy for the 70% of the world who rely on such meals daily.

Additionally, Pastor Luke encouraged us to contribute one day's wages toward a collective goal of $200,000. Through our partnership with Convoy of Hope, these efforts supported the One Day to Feed the World initiative, providing meals for families across the globe.
